Position: Painter & Fabricator

Location: Green Bay, WI

Employment Type: Full time

About ASI: ASI, Division of Thermal Technologies, Inc., specializes in custom drying, curing, and cooling solutions for the converting, roll-to-roll, and continuous process industries. As an industry leader since 1986, our forced air convection systems employ a variety of web transport and heating methods, including air flotation, roll-support, through-air, belt supported, and infrared (IR) supplementary heat. Based in Green Bay, Wisconsin, all of our dryers are designed to meet the specific drying needs, control requirements, and spatial constraints of our customers.

Duties: ASI is seeking a qualified individual to be a painter and fabricator on our shop floor. The ideal candidate would be skilled in both industrial coatings and fabrication. Responsibilities include:

- Inspecting, cleaning, and preparing part surfaces for paint
- Masking parts and plug holes to print/drawing notes to prevent overspray
- Using spray equipment, including conventional HVLP and electrostatic equipment
- Applying primers and topcoats with high level of consistency and quality
- Repair cosmetic defects using fillers, putties, and tools
- Work in machine department on shears, press brakes, folders, drill presses, and more
- Work on assembly floor
- Painting will be about 50% of the time; fabrication will be about 50% of the time

Qualifications: The ideal candidate will have the following qualifications:

- High school diploma or GED equivalent
- 2-5 years spray application experience using pressure feed conventional equipment, a plus
- Experience in producing high quality “showroom” finishes on projects, a plus
- Knowledge of epoxy and urethane primers/topcoats, a plus
- Ability to plan out paint projects to meet production needs, a plus

- Ability to stand on ladders, kneel, bend down, and stretch to apply masking tape and spray painting
- General mechanical aptitude
- Basic blueprint reading skills
- Experience with common hand tools and power tools
- Ability to work with others and independently
- Welding experience a plus
- Brake press/plasma table/saw/shear experience, a plus
- Effective communication skills
- Training will be provided if needed

Compensation & Benefits: ASI offers a competitive salary and benefits package that includes:

- Competitive salary
- Summer flex time
- Health, dental, and vision insurance
- HSA Employee Contribution
- Nine paid holidays a year
- ESOP retirement plan
- 401(k) retirement plan
- Stock ownership and profit-sharing opportunities
- Education reimbursement program
- Three weeks of vacation and personal time (prorated for start date)
- Group life insurance
- Short- and long-term disability insurance
- Paid leave new parent policy
- Employee appreciation events, including lunches, summer picnic, and holiday party
