POSITION: Fabricator/General Labor

LOCATION: Green Bay, WI

EMPLOYMENT TYPE: Full time

BUILD SOMETHING THAT MATTERS: At ASI, we design and manufacture custom drying, curing, and cooling systems used in advanced manufacturing processes around the world. For over 40 years, we've built a reputation as an industry leader with our engineered-to-order solutions—all proudly made in Green Bay, Wisconsin.

Our team works hands-on to build high-quality systems using a variety of web transport technologies, including air flotation, roll-support, and conveyORIZED drying systems. If you enjoy working with your hands, learning new skills, and being part of a team that takes pride in craftsmanship, ASI is a great place to grow your career.

WHAT YOU'LL DO: As a Fabricator / General Labor team member, you'll play a key role in building custom equipment and supporting day-to-day shop operations.

- **Core Responsibilities Include:**
 - Fabricate components using riveting, drilling, cutting, and grinding tools
 - Read and interpret blueprints and job specifications (training available)
 - Measure, inspect, and verify parts to ensure quality standards are met
 - Assist with general shop and facility upkeep (light maintenance, recycling, equipment care)
 - Maintain a clean, safe, and organized work environment
 - Collaborate with team members and support other departments as needed

WHAT WE'RE LOOKING FOR: We're looking for reliable, motivated individuals who are eager to learn and take pride in their work.

- **Preferred Qualifications:**
 - High school diploma or GED
 - Ability to read blueprints (or willingness to learn)
 - Mechanical aptitude, fabrication or manufacturing experience is a plus
 - Ability to lift up to 70 lbs and perform physically active work (standing, bending, climbing)

- **Key traits for success:**
 - Strong work ethic and dependable attendance
 - Team-oriented mindset
 - Willingness to learn and follow direction
 - Good communication and organizational skills
 - Attention to detail and commitment to quality

WHY JOIN ASI: At ASI, you're not just another employee—you're part of an employee-owned company where your contributions directly impact our success.

- **We offer:**
 - Competitive pay
 - Flex time in summer
 - Health, dental, and vision insurance
 - Employer HSA contributions
 - ESOP (Employee Stock Ownership Plan) – ownership stake in the company
 - 401(k) with additional retirement savings opportunities
 - Profit-sharing potential
 - 9 paid holidays + 3 weeks PTO (prorated first year)
 - Tuition reimbursement and skill development opportunities
 - Life and disability insurance
 - Paid parental leave
 - Employee events (team lunches, summer picnic, holiday celebrations)

GROW WITH US: This role is a great entry point into manufacturing at ASI, with opportunities to develop fabrication skills and advance into more specialized roles over time.
